

Driving directions from Lausanne

From the Lausanne-Geneva highway, follow the signs for Geneva lake. At the first traffic lights go straight into town, and at the second set of traffic lights turn left down towards the lake. You are now on Quai Wilson. Following the road which bears to the right, you will reach Quai du Mont-Blanc. Our offices are on the right, opposite from les Bains des Paquis. You can park your car a little further down the road at the Kempinski Hotel.
